Hey there! I just made my investment in RPAC! Have you?

Hi! No... what is RPAC?

It helps protect and promote our industry, and fights against any harmful proposals that would affect us as Realtors®. Think of it as insurance for our business.

Hmm... So what has it done?

RPAC has protected against sales tax on services proposals. Right now, RPAC is fighting against a tax increase on all brokerages organized as LLC's or S-Corps.

Would that impact my commissions?

Absolutely!

RPAC supports Pro-Realtor® legislators

Policies that raise the bar for our industry

It's streamlined how we access info for clients, while keeping costs low
