

2015 NAR Director Candidate

Beth Foley

Hi! I am Beth Foley running for NAR director.

I believe one becomes a better professional by being involved in your area of expertise. Since 1986, when I first received my real estate license, I have volunteered for the local, state and national association. I believe giving back displays integrity, honesty, accountability and a true display of what your organization means to you.

I have been in the trenches with most of you and understand the most intricate details of transactions. I know we could share many of the same horror stories and happy moments of transactions.

I am your 2015 Regional Vice President for Region 6 (Ohio and Michigan) for the National Association of Realtors®, 2012 President of Michigan Realtors®, presently sit on MI Realtors®, Board of Directors as past President and have been inducted into the Hall of Fame for RPAC. I am a President's Circle, Golden R.

I have been a Federal Political Coordinator for District 2 (FPC) for about 8 years.

Along with these positions, I am on the MLS committee for the National Association of Realtors®, have been a past NAR director, Participation Council and Fundraising Council for NAR, as a Past President, there were many committees I participated in and chaired. I have served for the local and state level, as a volunteer, on almost every committee.

As a President Circle member, I have had the opportunities to listen to a more in depth and detailed explanation of the issues we must understand and confront. I believe in RPAC contributions to help us preserve the real estate profession and the issues we encounter.

I could list the state, local and national committees I have been on over the past 28 years, but the truth is that I believe in the present.

I am very qualified to explain all issues as they relate to real estate practice and private property issues.

I have the capability to express my Realtor® peers' concerns and I can make certain you are heard. You, who know me, I give my all and I expect the best in me.

Beth M. Foley, MA, BS, CRB, CRS, GRI, RSPS
