Industry News & Resources

1. President Francis Gives Industry Update During Governor's Press Briefing

On Wednesday, 2020 Michigan Realtors® President Maureen Francis joined Governor Gretchen Whitmer for her COVID-19 press briefing. The Governor invited President Francis to join the event to speak about how the real estate industry is resuming work safely and responsibly, and how Michigan Realtors® is working to help establish best practices.

2. Michigan Realtors® launches "Michigan is Home" and "Michigan is Ready" Digital Media Campaigns.

This week, Michigan Realtors® launched its "Michigan is Home" campaign. This online media campaign focuses on the reality that, during this pandemic, the safety and security of homeownership has never been more important. Next week the "Michigan is Ready" campaign launches with a focus on the important role that commercial real estate will play in our state's future as we reopen sectors of the economy safely and thoughtfully. "Michigan is Home" can be viewed and shared below.

5. NAR is Funding 2 Months of TeleHealth Access

Extended enrollment period! The National Association of Realtors® understands that access to health care options may be top of mind for members. Telemedicine is playing an essential role today as we navigate uncharted territory and the need for virtual healthcare.

NAR is supporting members by funding 2 months of Members TeleHealth as a benefit for those who do not currently have access to telemedicine, with an ongoing significantly-reduced rate available for members thereafter.

Enrollment is limited*. Sign up by May 31.
