

1. Michigan RPAC off to great start in 2021

Michigan Realtors® had great fundraising success to pair with advancing industry issues in the first quarter of 2021. Thank you to the more than 3,000 Michigan Realtors® that have already invested in RPAC this year!

The [2021 Michigan RPAC Investors Website](#) is up and running! We look forward to seeing more updates here in the coming months.

In particular, we thank our Major Investors, those members that are investing \$1,000 or more in the calendar year, that are providing anchor level support of our industry issues. We encourage our Major Investors to view their photos and make sure that we have your desired headshot on file, which will ultimately appear in the Michigan Realtor® Magazine RPAC Tribute next March. [Updated photos can be submitted here.](#)

Do you have a question about RPAC? Would you like more information about the Major Investor program? Please reach out to Doug at dmerriam@mirealtors.com.

[RSVP Today](#)

April is Fair Housing Month, but each day is an opportunity to reaffirm our commitment to Fair Housing. In an effort to build upon NAR's Fair Housing ACT Plan (ACT = Accountability, Culture Change, and Training), we encourage members to complete these available training opportunities:

- [Bias Override: Overcoming Barriers to Fair Housing](#);
- [Fair Haven: A Fair Housing Simulation](#); and the
- ["At Home with Diversity" certification.](#)

Completing these three programs will empower Realtors® to confront their own biases and demonstrate a commitment to offering equal professional services to all. Through action and education, we can work together to end discrimination in housing.

Additionally, visit our [Fair Housing Resources](#) web page for a compilation of videos, articles and online education opportunities. Fair Housing Makes US Stronger.
