A Matter of Place,  
A Documentary  
Film About Housing  
Discrimination

## KEYNOTE

Fred Underwood, NAR

Fair housing is more than a list of dos and don'ts, rights and penalties, and mandatory continuing education. As stewards of the right to own, use and transfer private property, fair housing protects our livelihood and business as REALTORS® and depends on a free, open market that embraces equal opportunity. Fair Housing Makes US Stronger.

## ESTEEMED PANELISTS:
